Subject: Cleanup could hurt local jobs

A big, expensive river cleanup may sound like a good idea. But it isn't.

The amount of wages generated by companies in the Portland harbor help so many families put food on the table. We all support a clean Willamette River but it's also crucial that the cleanup is flexible and not be so expensive that it threatens local jobs.

Thank you for recognizing that there is a real cost to employers for this cleanup. And thank you for everything you're doing to protect our river.

Sincerely,
